

**24<sup>th</sup> and 25<sup>th</sup> May 2017 / 24. i 25. maj/svibanj, 2017.**

**Hotel „Mellain“**

**Tuzla, Bosnia and Herzegovina / Tuzla, Bosna i Hercegovina**

**Program / Program**

**Wednesday / srijeda, 24.05.2017.**

09.00 – 12.00 **Presentation of the Poster Section for the Evaluation Committee (VIP room)/  
Predstavljanje radova mladih stručnjaka pred Komisijom za ocjenu  
(VIP sala)**

12.00 – 18.00 **Exhibition of posters (Conference Room D) / Izložba radova (Sala D)**

12.15 – 12.45 **Press Conference/ Konferencija za štampu**

12.00 - 13.00 **Registration of guests and participants/ Registracija gostiju i učesnika**

**13.00 FORUM OPENING/ OTVARANJE FORUMA**

- **Rationale and Objectives of the Forum/ Ciljevi Foruma**  
prof. dr. Mirza Kušljugić, University of Tuzla, Faculty of Electrical Engineering, Tuzla, Bosnia and Herzegovina
- **Welcome Address / Pozdravna obraćanja**

**Moderator: prof. dr. sc. Slavko Krajcar**

**Keynote speakers/ Uvodničari:**

- **Macroeconomic Framework for Large-Scale Investments/  
Makroekonomski okvir za velika ulaganja**  
Dr Vladimir Gligorov, Vienna Institute for International Economic Studies,  
Vienna, Austria
- **Interplay Between Natural Gas, Lignite and Renewables/ Interakcija  
između prirodnog gasa, lignita i obnovljivih izvora energije**  
Aleksandar Kovačević, Oxford Institute for Energy Studies, Belgrade, Serbia

14.15 – 14.30 ○ **Discussion / Diskusija**  
*Coffee break / Pauza za kafu*

**Panel 1 Implementation of the Energy Community Treaty in New Circumstances/  
Implementacija Sporazuma o Energetskoj zajednici u novim okolnostima**

Moderator: prof. dr. Mirza Kušljugić

- **South Eastern Europe Integration into the Energy Union/ Integracija  
jugoistočne Evrope u Energetsku uniju**  
Christian Egenhofer, Centre for European Policy Studies, Brussels, Belgium
- **Power Investments: Emerging Legal Framework/ Ulaganja u  
elektroenergetskom sektoru: pravni okvir**  
Dr Branislava Lepotić Kovačević, Transnafta, Belgrade, Serbia

- **Reform and Restructuring of the Energy Sector in Bosnia and Herzegovina/ Reforma i restrukturiranje energetskeg sektora u Bosni i Hercegovini**  
Doc. dr. sc. Admir Softić, Ministry of Foreign Trade and Economic Relations of Bosnia and Herzegovina, Sarajevo, Bosnia and Herzegovina
  - **Energy Investments Landscape in the Western Balkans and a view on local energy companies/ Pregled ulaganja u energetiku Zapadnog Balkana i osvrt na lokalne energetske kompanije**  
Dejan Ljuština, PricewaterhouseCoopers Advisory Ltd., Zagreb, Croatia
  - **Discussion / Diskusija**  
*Wrap-up and takeover notes*
- 15.45 – 16.00 *Coffee break / Pauza za kafu*

**Panel 2** **Large Scale Investments into New Energy Facilities in the Western Balkans / Velika ulaganja u nove energetske objekte na Zapadnom Balkanu**  
Moderator: Aleksandar Kovačević

- **Experience in Lignite Power Retrofit, Biomass and Waste Utilization in Energy Production/ Iskustva u rekonstrukciji lignitnih elektrana, korištenja biomase i otpada u proizvodnji energije**  
Boguslaw Krzton, Global Power Group, Amec Foster Wheeler, Warszawa, Poland
- **Coal Plant Decommissioning/ Demontaža termoelektrana i remedijacija**  
Dragomir Marković, VPC East d.o.o. Belgrade, Serbia
- **Estimation of Biomass Resources for Energy Production in Federation of Bosnia and Herzegovina/ Procjena resursa energijske biomase u Federaciji Bosne i Hercegovine**  
dr. sc. Anes Kazagić, JP Elektroprivreda BiH d.d. Sarajevo, Bosnia and Herzegovina
- **Estimation of Biomass Resources in Bosnia and Herzegovina/ Procjena resursa biomase u Bosni i Hercegovini**  
prof. dr. Ćemal Višnjić, Faculty of Forestry, University of Sarajevo, Bosnia and Herzegovina
- **Poplar Plantation as Land Restoration Option at Lignite Mine and Its Resource Relevance/ Zasadi topole kao opcija za rekultivaciju lignitnih rudnika i relevantnost energetskeg resursa**  
Dr Dragana Dražić, Forestry Institute, Belgrade, Serbia
- **Discussion / Diskusija**  
*Wrap-up and takeover notes*

18.30 **Poster Section Award Ceremony/ Ceremonija dodjele nagrada za najbolju ideju / projekat mladih stručnjaka**  
Moderators:  
prof. dr. Milan Radovanović, President of the Society of Thermal Engineers of Serbia, Belgrade, Serbia  
prof. dr. sc. Nenad Debrecin, University of Zagreb, Faculty of Electrical Engineering and Computing, Zagreb, Croatia

20.00 – 22.00 *Reception and Networking / Večera i networking, Hotel „Mellain“*

**Thursday / četvrtak, 25.05. 2017.**

09.00

**Panel 3**

**Energy Demand, Security of Supply and Integration of Electricity Markets in South East Europe / Potrošnja energije, sigurnost snabdijevanja i integracija u tržišta električne energije jugoistočne Evrope**

Moderator: prof. dr. sc. Nenad Debrecin

**Keynote Speakers/ Uvodničari:**

- **On the Way to the Clean Energy for All Europeans/ Na putu do čiste energije za sve građane**  
prof. dr. sc. Slavko Krajcar, University of Zagreb, Faculty of Electrical Engineering and Computing, Zagreb, Croatia
- **Role of the Distributed Sources of Flexibility in the Current and Future Market Structures / Uloga distribuiranih izvora fleksibilnosti u postojećim i budućim tržišnim strukturama**  
doc. dr. sc. Hrvoje Pandžić, University of Zagreb, Faculty of Electrical Engineering and Computing, Zagreb, Croatia
- **Power Market Integration in South East Europe/ Integracija tržišta električne energije u jugoistočnoj Evropi**  
Simon Uzunov, Energy Community Secretariat, Vienna, Austria

10.30 – 10.45

- **Discussion / Diskusija**

*Coffee break / Pauza za kafu*

- **CROPEX Operational Experiences/ Iskustva u radu**  
mag. ing. el. Ante Mikulić, Croatian Power Exchange, Zagreb, Croatia
- **SEEPEX Operational Experience/ Iskustva u radu**  
Dejan Stojčevski, SEEPEX a.d. Belgrade, Serbia
- **HEP Trade - Operational Experiences/ Iskustva u radu**  
Ante Ćurić, HEP Trade Ltd., Zagreb, Croatia (*tbc*)
- **Possibilities of JP Elektroprivreda HZ Herceg Bosne d.d. Mostar on the Electricity Market - Issues and Challenges/ Mogućnosti JP Elektroprivreda HZ Herceg Bosne d.d. Mostar na tržištu električne energije - problematika i izazovi**  
mag. ing. el. Ervin Leko, JP Elektroprivreda HZ HB d.d. Mostar, Bosnia and Herzegovina
- **Discussion / Diskusija**

13.00

*Wrap-up Session/ Zaključna razmatranja*

13.30 – 14.30

*Lunch / Ručak, Hotel „Mellain“*

***In the framework of the Regional Energy Forum – REF 2017 a specific event will be held – the poster presentation of ideas and projects developed by young professionals, which contribute to energy transition process in the region. / U okviru Regionalnog energetskog foruma – REF 2017 održaće se poseban događaj – poster prezentacija ideja i projekata mladih stručnjaka, koji doprinose procesu energetske tranzicije u regionu.***
